The Licensor waives and/or agrees not to assert any right or authority to forbid Permitted Licensee from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures. For purposes of this License, simply making modifications authorized by this Section 2(B) never produces Adapted Material.

C. Permitted Licensee is expressly prohibited from using any Licensed Material for any commercial purpose without the advance written authorization of Licensor. Any permitted commercial use of any Licensed Material, as well as the commercial use of any of the trademarks and logos of Licensor, will be subject to the terms of a separate licensing agreement. B. Patent, trademark and trade dress rights are not licensed under this License. The permitted use of the Licensor's trademarks and logos is outlined separately.

C. To the extent possible, Licensor waives any right to collect royalties from Permitted Licensee for the exercise of the Licensed Rights, whether directly or through a collecting society under any voluntary or waivable statutory or compulsory licensing scheme. In all other cases, the Licensor expressly reserves any right to collect such royalties, including when the Licensed Material is used other than for Non-Commercial purposes or otherwise not in accordance with the terms of this License.

Where a limitation of liability is not allowed in full or in part, this limitation may not apply to Permitted Licensee.

C. The disclaimer of warranties and limitation of liability provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability.

## 9. Term and Termination.

A. This License applies for the term of the Copyright and Similar Rights

licensed here. However, if Permitted Licensee fails to comply with this License, then Permitted Licensee's rights under this License terminate automatically.

B. Where Permitted Licensee's right to use the Licensed Material has terminated under Section 9(A), it reinstates:

(i) automatically as of the date the violation is cured, provided it is cured within 30 days of Permitted Licensee's discovery of the violation; or

(ii) upon express reinstatement by the Licensor.

For the avoidance of doubt, this Section 9(B) does not affect any right the Licensor may have to seek remedies for Permitted Licensee's violation(s) of this License.

C. For the avoidance of doubt, the Licensor may also offer all or any portion of the Licensed Material under separate terms or conditions or stop distributing all or any portion of the Licensed Material at any time; however, doing so will not terminate this License.

D. Sections 1, 8, 9, 10, and 11 shall survive termination of this License.

#### 10. Other Terms and Conditions.

A. The Licensor shall not be bound by any additional or different terms or conditions communicated by Permitted Licensee unless expressly agreed.

B. Any arrangements, understandings, or agreements regarding the Licensed Material not stated herein are separate from and independent of the terms and conditions of this License.

C. Nothing in this License constitutes or may be construed as permission to assert or imply that Permitted Licensee is, or that Permitted Licensee's use of the Licensed Material is, connected with, or sponsored, endorsed, or granted official status by, the Licensor or others designated to receive attribution as provided in Section 6(A)(i)(a) hereof.

#### 11. Interpretation.

A. For the avoidance of doubt, this License does not, and shall not be interpreted to, reduce, limit, restrict, or impose conditions on any use of the Licensed Material that could lawfully be made without permission under this License.

B. This License is governed by, and shall be construed in accordance with, the laws of the Commonwealth of Massachusetts, United States of America, without giving effect to any principles of conflicts of law.

B. To the extent possible, if any provision of this License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this License without affecting the enforceability of the remaining terms and conditions.

C. No term or condition of this License will be waived and no failure to comply consented to unless expressly agreed to by the Licensor.

D. Nothing in this License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Licensor or Permitted Licensee, including from the legal processes of any jurisdiction or authority.
